

Archipelago 4 Surface

WAC-003

Archipelago 4 Surface

WAC-003

DESCRIPTION

The Archipelago collection creates geometric fixtures utilizing an expandable structure. This Archipelago 4 structure is two side-by-side Archipelago 3 forms. Form and function unite in an expression of gravity and structure by utilizing the arc as both horizontal spacing and vertical suspension. The framework is topped off with bent glass domes and blown glass globes assembled in Allied Maker's signature style and entirely handcrafted in the USA.

MATERIALS

Brass, Glass
