BRIOLETTE Large Pendant in Satin Brass & Onyx

An evolution of the original Briolette Pendant, the Briolette Onyx is inspired by a delicate piece of jewellery with the precious natural stone sitting like a pear-shaped multi-faceted gemstone, held in place by the brand's signature metallic prongs.

Offering a beautiful diffusion of warm, soft light, the satin brass, nickel, copper, bronze or black steel hardware grips its jewel, drawing the eye to its unforgettable sculptural shape.
