Specifications

Black

Polished Aluminum

German Silver

Brushed Brass

White Glass

Clear Glass

Mixed Glass

DIMENSIONS

Height: 26in / 65cm  
 Width: 76in / 194cm  
 Depth: 39in / 99cm  
 Minimum Drop: 30in / 76cm  
 Weight: 44lb / 20kg

SUSPENSION

Ships with 36in or 72in stem, can be cut to length on site

CANOPY

Ø5in x H2in

MATERIALS

Machined aluminum, mold-blown glass

BULBS

G4 / 12v / 1.2w / 2700k / dimmable LED, transformer provided  
 Maximum Fixture Wattage: 52.8w

UL, cUL (120V)

Inspiration

The inspiration for this versatile lighting system came from the natural drape and growth patterns of the Burro's Tail plant. Each component of the spine is machined from solid aluminum and, when assembled, fully articulates within its self-regulated range of motion, creating a rational curvature. The glass shades are mold-blown and illuminated by warm LEDs. Designed by Karl Zahn for Lindsey Adelman Studio.
